

FCC Worship Team Dress Code

Objective: We want to represent Christ's body to the church and the world. We want to place the attention on God, not individuals, therefore we desire to dress modestly and allow our worship focus to be on God. To accomplish this goal, we have established some guidelines.

LADIES:

- Nice Casual or Dress Casual Outfits are the norm.
- Wear layered / loose clothing (ie. an open jacket, cardigan, vest, or a 2nd overshirt -not a knit that is form fitting) or loose clothing (ie. a blouse that flows freely from shoulder to hip) to minimize form-highlights.
- Clothes should fit such that when you are moving, jumping or otherwise expressing your worship, your form and shape will not be highlighted or cause distraction.
- Wear shoes, or nice flip-flops.
- Hems on skirts or dresses should be no shorter than at the knee (due to platform height). Long skirts should not be slit any higher than the knee.
- No low-cut tops, sleeveless blouses or dresses (cap-sleeves with discretion), tank tops, backless dresses, spaghetti strap dresses, or halter tops.
- No see-through or lace blouses without an under blouse. No see-through or lace blouses even with an under blouse if that under blouse is low-cut.
- Please wear proper underclothing, and always be sure all undergarments are not visible.
- Blue jeans are permitted as long as they are not tight-fitting and are uniform color. No holes, big logos or names, or low cut jeans.
- No tight, form-fitting pants, dresses or spandex (hint: any clothing that outlines undergarments or intimate parts of the body is too tight).
- No visible mid-riff including when hands are raised in worship.
- No hats.
- Please DO WEAR deodorant.
