

River of Worship

Joshua Travers

Am C F Dm (Through Whole Song)

Lord I'm desperate to go, but I don't know the way

Can I come to Your throne, take me into that place (x2)

Where angels bow, and elders lay their crowns down (x4)

Lord I want to enter in, to that atmosphere of worship
Take me to that deeper place, that my heart longs to go (x2)

Take me to that (x3)
River that Ezekiel Saw//
Ankle deep then, waste deep then
Neck deep then overflowing//

Chorus (x2)

Take me deeper (x3)
Into the river Lord
Take me higher (x3)
Through that open door
Take me farther (x3)
Where Jesus is my reward
Take me deeper (x3)
Into Your presence Lord
